OUR MISSION

ABOUT THE ARTISANS

Sasha Exports is a nonprofit marketing outlet for many small member cooperatives of Sasha Association for Craft Producers. Sasha offers design services, and training in business

skill development and other management principles. Sasha empowers artisans to run their businesses independently, building livelihoods for socially and economically marginalized producers. The wide range of crafts and textiles

offered by Sasha draws on tradition, retaining cultural context, yet making products contemporary for present-day living. Sasha also hopes to revive a wide variety of dying handicraft traditions. For many artisans, handicraft production is their main source of income. Ten Thousand Villages has purchased products from Sasha Exports since 1979.

ABOUT YOUR HANDCRAFTED TREASURE

Jute Tree of Life Wall Hanging
6805100

Tree of life with sturdy strength enhances your wall. The size, earth colors, and rough textures of this wall hanging give it presence and beauty. The heavy wool of ground and overlapping tree branches make this almost a bas-relief.
