OUR MISSION

ABOUT THE ARTISANS

Dominion Traders works with

underprivileged artisans who make stone and shesham wood crafts in the city of Karachi. It disperses orders to

independently owned and operated onyx

workshops that own their own equipment and rent or own their facilities. Most

are family businesses employing several

family members. Benefits to artisans include profit-sharing, pension plans

and medical benefits. Dominion Traders provides interest-free loans and advances to artisans.

Dominion Traders was founded by the late Mansoor Ali, who pioneered fair trade practices in Pakistan's stone industry while hiring artisans

regardless of religion or ethnicity. The organization is now managed by his son, Syed Fahad Ali. Ten Thousand Villages has purchased products from

Dominion Traders since 1983.
